

Expand QuickScreen 3

Bring your message to your target audience.

With a few simple steps, the graphic cassette can be removed and easily exchanged with a new message.

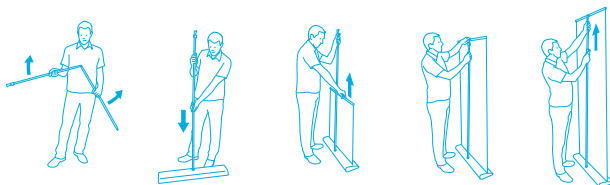

The Expand QuickScreen 3 comes with a telescopic pole that allows you to quickly adjust the height of your graphic without tools. Further customize your message with one of our seven different colored end caps.

Expand QuickScreen 3

The Expand QuickScreen 3 is the market's smartest retractable banner stand, embodying elegance, functionality and quality. Its patented design is not only unique and attractive, but adds an extra dimension of exclusivity which will strengthen the impact of your message. This marketing tool is an ideal instrument to use for marketing your products and services wherever your target group may be.

Our Expand QuickScreen 3 has a silver finish and offers seven different colored end caps: amber, green, transparent, red, grey, blue and chrome. The patented, ingenious system of separate graphic cassettes makes it easy for you to change your message. The Expand QuickScreen 3 weighs less than 11 lbs. and comes in a practical nylon bag. An optional spotlight is available to illuminate your message.
